Oscietra Golden Caviar

THE JEWEL OF THE CASPIAN SEA

Our Oscietra Golden Caviar stands out for its exceptional grain size and distinctive golden colour, characteristics that make it one of the most sought-after caviars in the world. Its loose and creamy texture allows each grain to be appreciated individually, offering a unique gastronomic experience. The purest way to taste it is directly in the hand, where the natural pH of the skin enhances its subtlest nuances. Served chilled at room temperature, it can be enjoyed on its own or paired with *Dom Pérignon* Vintage 2015 or Belvedere Ten Vodka for an extraordinary experience.
